Event Description: -

On 30/04/2024 Activity committee, MAMC&RC, had organized a programme on the occasion of “World Immunization Week 2025” to spread awareness about immunization and try to explore the possibilities in Ayurveda, which was the theme of the event. Different activities were organized throughout the week, like essay competition and poster competition. Programme started with the prayer of “God Dhanvantri”. Then guests were welcomed to take chairs on the podium. First chief guest of programme Dr Manoj Kumar Sharma, spoke about importance of

immunization and immunomodulator drugs described in Ayurveda texts. After that result of Poster Competition was announced by Dr Aishwarya Babu. Mr. Rohit Dhawan, Ms. Astha Prajapati & team and Mr. Shahrukh Shah won the 1st, 2nd and 3rd prize respectively. Then, winners presented their poster in front of audience. Then, result essay competition was announced by Dr Nidhi Soni. Ms. Niharika, Ms. Shruti Garg and Ms. Anya won the 1st, 2nd and 3rd prize respectively. All the winners awarded with the prizes. Then, Dr Rajesh Dhakad gave the speech on immunization in ayurveda. And vote of thanks by activity coordinator Dr Arpit Sah.
