Report of the event

Event: Overview of GATE Examination

Category of the event: Skill Development

Date: 30th August, 2019

Venue: A-402

No. of participants: 47

Resource Person: Dr. GajendraBahadur Singh, Associate Professor, Department of Biotechnology, Chandigarh University, Punjab

Dr. GajendraBahadurSingh is presently working as an Associate Professor in Chandigarh University, Punjab. He has studied at HNB Garhwal University, Uttarakhand. He has many publications in Indexed journals. He has worked in Jaypee Institute of Information Technology, Noida and other institutes.

About the Event

This is an important exam for graduate students from Engineering and Sciences who want to pursue higher education as well as want to join research. It is a prestigious exam conducted every year.

Dr. Singh apprised the students about GATE examination Graduate Aptitude Test in Engineering is an examination which is conducted for Master of Engineering (ME), Master of Technology (M.Tech.) and direct Ph.D. admissions to Indian Institutes of Technology (IITs), National Institutes of Technology (NITs), Indian Institutes of Information Technology (IIITs) and other institutes/universities across India. It also opens the gateway to booming public sector organizations (PSUs) and in the field of research. Some of the PSUs and research organizations which use GATE score for providing jobs include ONGC, NTPC, GAIL, HPCL, PGCIL, BHEL, BSNL, HPCL, NHPC, BARC, DRDO, etc.

The speaker provided the students with basic orientation to prepare a strategic plan for preparation to the examination. He advised the students to prepare thoroughly on core subjects and prepare concept notes for repeated exam. He advised the students to follow time schedule diligently and strengthen their knowledge about core subjects.

The students took keen interest in the talk and also put forward their queries.

Director, IET
