Vice Chancellor Prof. P.K. Dashora addressed audience of 11th Convocation and administered the oath to the graduating students

Chief Guest Arif Mohammad Khan, Governor of Bihar

Addressing the gathering, Chief Guest Shri Arif Mohammad Khan congratulated the graduates and encouraged them to contribute meaningfully to the nation's development. Emphasizing the transformative power of education, he said, "In today's era, education is a powerful tool that leads individuals and society towards progress." He urged students to keep learning and to dedicate their knowledge in the service of humanity.

Guest of Honor Yogendra Upadhyay, Higher Education Minister, Uttar Pradesh

Special Guest Shri Yogendra Upadhyay congratulated the students as they embark on a new journey in life. He remarked, "To become a model for society and the nation is a greater achievement than earning a medal. Those who didn't win awards today must continue to strive, for the death of a few dreams does not mean the end of life." He further emphasized that true education is not limited to books and coursework, but encompasses life-long learning and personal growth. He also praised Manglayatan University, Aligarh, for its excellence in academic quality, research, and outreach activities.

Voices of the Gold Medalists...

Monika Tiwari

"Receiving a gold medal during student life is a great achievement. It is a memorable moment in my life that I will never forget. This achievement was made possible through the guidance of the university professors."

Furqan Qureshi:

"Any goal can be achieved with hard work. I am extremely happy to have received the gold medal. For students who want to give wings to their dreams, the university is the best option."

Kirti Gaur:

"This medal is not just an achievement for me, but a source of inspiration for the path ahead. We should use our knowledge to make society better. I will always cherish the time spent at the university."

Pragya Sharma:

"Success is meaningless without discipline and hard work. The award I received from the university is not just the result of personal effort but also a reflection of the support from my family and teachers."
