

MU Celebrates International Yoga Day with Mass Yoga Session

Mangalayatan University celebrated the 12th International Yoga Day with great enthusiasm through a mass yoga session jointly organised by the National Service Scheme (NSS) Units 5 and 6 and the 8 UP Battalion NCC. The yoga camp, held at the Kirti Stambh Courtyard on the university campus, witnessed the participation of 650 NCC cadets, NSS volunteers, faculty members and staff, who collectively practised yoga to promote the message of healthy living.

The programme was inaugurated by Vice Chancellor Prof. P.K. Dashora. During the yoga camp, participants practised various yogasanas, pranayama and meditation under the guidance of trained instructors, who also

highlighted the scientific significance of yoga and its relevance in everyday life. The campus resonated with discipline, enthusiasm and positive energy throughout the yoga session.

The successful organisation of the event was made possible by the dedicated efforts of Ramgopal Singh, Programme Officer of NSS Unit-5, and Bhavana Raj, Programme Officer of NSS Unit-6, who efficiently coordinated the camp with support from NSS volunteers.

The programme was attended by Registrar Commander Manoj K. (Retd.), Deputy Registrar Dr. Jitendra Yadav, Chief Warden Laxman Singh, along with several senior officials, faculty members and staff.

Yoga Promotes Healthy Living and a Stronger Society

On the occasion of International Yoga Day, the IER Department and the Yoga Club of Mangalayatan University jointly organised a special yoga session in the university auditorium. The theme for Yoga Day this year was "Yoga for Healthy Ageing," highlighting the importance of yoga for a healthy and balanced life. The programme commenced with the ceremonial lighting of the lamp before the idols of Adi Yogi Shiva and Maharishi Patanjali, symbolising yoga's rich spiritual heritage.

Yoga instructor Bhavana Raj guided participants through various yogasanas and pranayama exercises while explaining the physical, mental, and spiritual benefits of regular yoga practice. On this occasion, Prof. Dinesh Pandey said that yoga has emerged as an effective solution to the growing health challenges associated with modern lifestyles.

Mangalayatan University and RMPSU Sign MoU to Strengthen Academic and Research Collaboration

Mangalayatan University and Raja Mahendra Pratap Singh University (RMPSU) have signed a Memorandum of Understanding (MoU) to strengthen collaboration in higher education, research, innovation and skill development.

The agreement aims to promote joint research projects, faculty and student exchange programmes, seminars, workshops, conferences and training initiatives. It will also focus on emerging technologies, industry collaboration, socio-economic development and innovation-driven research.

The MoU was signed in the presence of RMPSU Vice Chancellor Prof. Narendra Bahadur Singh, Registrar Prabuddh Singh, Mangalayatan University Registrar Commander

Manoj K. (Retd.) and Deputy Registrar Dr. Soni Singh.

Mangalayatan University Vice Chancellor Prof. P.K. Dashora said the partnership would enhance academic excellence through FDPs, skill development, research, training, and

placement support. Both universities expressed confidence that the collaboration would create new opportunities for students, researchers, and faculty members while strengthening the culture of quality education and research.

Computer Fundamentals for Today's Professionals' Launched at MU

Mangalayatan University has launched Computer Fundamentals for Today's Professionals, authored by Assistant Professor Arshil Noor of the Department of Computer Engineering and Applications. The book was released by Vice-Chancellor Prof. P. K. Dashora in the presence of senior university officials.

The Vice-Chancellor said the book would benefit both technical and non-technical learners by providing a practical understanding of computer fundamentals. Registrar Commander Manoj K., Controller of Examinations Prof. Dinesh Sharma, Dean of Engineering Prof. Rajesh Upadhyay and HoD Dr. Love Mittal congratulated the author, stating that the publication would strengthen students' digital knowledge and professional skills.

6	Ms. Ankita Lal	Nursing	Conference on Intellectual Property Rights: Scope in Nursing at KGMU, College of Nursing, lucknow

Mangalayatan University Students Excel in NPTEL Examination

Students of Mangalayatan University have brought laurels to the institution by delivering an outstanding performance in the examination conducted by the National Programme on Technology Enhanced Learning (NPTEL), one of India's most prestigious online learning platforms. The students earned Elite Gold and Elite Silver certifications by securing exceptional scores in various advanced courses.

Vanshika Varshney, a B.Tech student from the Department of Computer Engineering and Applications, secured 94% marks in the Data Mining for Decision Making course, while fellow B.Tech student Mansi scored 93%, earning Elite + Gold certificates. Both students ranked among the top 2% of learners nationwide, showcasing their academic excellence.

Continuing the university's remarkable

performance in technical education, Amit Kumar, a sixth-semester BCA student, secured 90% marks in The Joy of Computing Using Python course and was awarded an Elite + Gold certificate. Meanwhile, Pragati Sharma, an MBA student from the Institute of Business Management and Commerce, earned an Elite + Silver certificate by scoring 79% in the Financial Derivatives and Risk Management course. She secured a position among the top 5% of learners in this challenging national-level programme.

Congratulating the students on their remarkable achievement, Vice Chancellor Prof. P.K. Dashora, Registrar Commander Manoj K. (Retd.), Controller of Examinations Prof. Dinesh Sharma, Dean Academics Prof. Ambrish Sharma, SWAYAM-NPTEL Nodal Officer Prof. Abdul Wadud Siddiqui, MOOC

Coordinator Shubham Sharma, along with the Heads of Departments and faculty members, expressed their pride and extended their best wishes to the achievers.

CDO Inaugurates Exercise Therapy Lab

With rapid technological advancements transforming healthcare, Mangalayatan University has taken a significant step toward providing students with world-class practical training. The university inaugurated its state-of-the-art Exercise Therapy Laboratory in the Department of Physiotherapy. The facility was formally inaugurated by Chief Development Officer (CDO) Yogendra Kumar (IAS).

Speaking as the chief guest, CDO Yogendra Kumar appreciated the university's initiative and highlighted the growing importance of physiotherapy in modern healthcare. He stated that alongside medicines, rehabilitation and exercise-based

therapies are playing an increasingly vital role in helping patients recover more quickly and effectively.

Vice-Chancellor Prof. P. K. Dashora said that Mangalayatan University remains committed to excellence in medical education and research. The newly established Exercise Therapy Lab aims to familiarise students with the latest global treatment techniques and rehabilitation practices. Controller of Examinations Prof. Dinesh Sharma remarked that hands-on training using modern equipment will enhance students' confidence and enable them to provide better

healthcare services in the future. The chief guest was welcomed with a bouquet by Registrar Commander Manoj K. Principal of the Department of Physiotherapy, Dr. KK Sharma, explained the significance of the laboratory.

Recruitments of June 2026

S.No.	Name	Gender	Designation	Faculty/Institute/Department
1	Dr. Kamlesh Devi	Female	ASSISTANT PROFESSOR	Department of Arts
2	Mr. Livansh Gupta	Male	Physiotherapist	Department of Physiotherapy
3	Mr. Kanishk Bhatnagar	Male	OFFICE ASSISTANT	Research
4	Ms.Soni Gaur	Female	ASSISTANT PROFESSOR	Department of Computer Engineering & Applications

Innovation and Incubation Centre at Mangalayatan University Empowering Young Entrepreneurs

Mangalayatan University's University Innovation and Incubation Centre (UIIC) is actively nurturing innovation and entrepreneurship by supporting student startups and innovative ideas.

Vice Chancellor Prof. P.K. Dashora announced that the university has signed an MoU with the Uttar Pradesh Government's MSME & Export Promotion Department under the Chief Minister Youth Mission.

The collaboration aims to provide mentorship, financial support,

incubation facilities and industry networking opportunities to aspiring entrepreneurs.

Registrar Commander Manoj K. stated that students are being encouraged to transform their innovative ideas into successful startups. Several students have already launched ventures in technology, healthcare, education and sustainable development.

Controller of Examinations Prof. Dinesh Sharma highlighted that the centre also bridges academia and

industry by organising regular workshops, training sessions and expert lectures.

UIIC Chairman Prof. Ravikant said that the collaboration with the Chief Minister Youth Mission would further strengthen Uttar Pradesh's startup ecosystem. Student teams led by Michael, Alok, and Prateek have successfully launched startups in social initiatives, detergent manufacturing and event management respectively.

World Environment Day Celebrated with Plantation Drive and Bird Watering Initiative

On the occasion of World Environment Day, Mangalayatan University organised a series of environmental conservation activities. Alongside a tree plantation campaign, arrangements were made to provide water and grains for birds during the scorching summer, and to spread awareness about protecting nature and biodiversity.

Faculty members, volunteers, and students enthusiastically participated in the celebrations.

The event was jointly organised by

Radio Narad, the Department of Journalism and Mass Communication, SMART NGO and National Service Scheme (NSS) Unit-2. Earthen pots filled with water and bird feed were placed on trees across the university campus to help birds survive the extreme heat.

Meanwhile, NSS Unit-7 and the Institute of Applied Science jointly conducted a plantation drive at Rishi Vishwamitra's Dharanidhar Sarovar pilgrimage site. Faculty members and volunteers planted various species of

saplings to promote greenery.

NSS Programme Coordinator Dr Poonam Rani emphasised that environmental conservation extends beyond tree plantation and includes caring for birds, animals and every living being in nature.

Additionally, the Mangalayatan Ayurveda Medical College and Research Centre, under the leadership of Principal Dr. Rajesh Dhakad, planted medicinal herbs in its herbal garden.
