

MANGALAYATAN UNIVERSITY, ALIGARH

DIRECTORATE OF DISTANCE EDUCATION

PROGRAM PROJECT REPORT

FOR

Bachelor of Commerce (B.Com.)

Distance Education Mode

2018

Introduction

The word Mangalayatan is a combination of two words; Mangal and Ayatan. It refers to the Home that endows contentment and positive vibrations. Mangalayatan symbolizes the ultimate resource that underlines well-being and prosperity. As a part of the promise to groom students into leaders of tomorrow, Mangalayatan University has strategically tied up with top organisations to have access to the best of teaching practices, training methodologies and the latest industry-oriented curriculum development methods. To be a leader in education, an institution must be founded on two basic principles: keeping the interest of students as its foremost priority and recognizing that knowledge is ever-growing, omnipresent and requires the opening of minds. At Mangalayatan University, we take pride in these two qualities being at the core of our existence. Mangalayatan (translated as the germinal bed of positive thought) aims to perpetuate a culture of hard work, embracing change and preparing oneself for the fast progressing world with the latest skills and the highest level of social and personal values. Situated 20 km from the Yamuna Expressway in Uttar Pradesh, Mangalayatan University was founded in 2006 and has graduated over 6000 students. Nearly 1300 students are currently studying on campus. Mangalayatan University vision is to give students from all kinds of background, a quality educational experience leading to legitimately rewarding career opportunities.

Vision

“To be an institution where the most formative years of an young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast changing professional world, and a desire to grow into a personality than a person, in an environment that fosters strong moral and ethical values teamwork , community service and environment consciousness.”

Mission

- To be the enablers of a confluence of academic rigor and professional practicality
- To train students to be skilled professionals, with the hunger and ability to become leaders
- To hone not just the intellect of our students, but also their character and personality
- To bring global best practices to our students through widespread use of technology
- To empower our faculty to constantly develop new skills and excel professionally
- To provide the best campus environment to students and faculty with all facilities to nurture their interests

B.COM. (BACHELOR OF COMMERCE):

The B.Com. degree is one of the most sought bachelor degree programmes after 12th. It includes complete knowledge of finance and management. The B.Com degree has been started to provide the ground knowledge for producing the sound financial and management professionals. B.Com is one of the most job provider educational degree course in India and abroad, there are various multinational industries, which are offering jobs to various commerce graduates.

The best part of programme is that the student of all stream” in 12th standard can get admission in the B.Com. Programme. B.Com. degree allows the candidates to enter in the field of Banking, Finance and Management. This degree teaches the students with various aspects that are necessary for effective financial management and essential for entrepreneurs and business analyst. Bachelor in Commerce also gives students a platform for pursuing courses like MBA. To do well in this field, students must possess leadership qualities, decision making skills, good oral and written communication skills. Partial ICT supported teaching learning practices shall be adopted to ensure parity in terms of academic rigor and quality of instructions.

Goals

The three main goals of this program are:

- A. To develop critical thinking and decision making skills in students so that they can identify and analyze financial problems, develop feasible alternatives, and make effective decisions.
- B. To enhance effective communication skills among students for preparing and delivering effective oral presentations using various suitable technologies.
- C. To develop ethical behavior for identifying ethical conflicts and social responsibilities.
- D. To educate students with competent skills to make them enable to seek jobs and progress in their profession.
- E. To educate them to be a well rounded and well informed citizens.

Job Opportunities

There are many more career options present for B.Com.

There are many more career options for commerce graduates in public and private sectors. Self employment options are available for them. After B.Com, which is an Undergraduate course in commerce, graduates may take up Government jobs that require a Graduation Degree.

When it comes to Private sector, graduates can apply here are a few career options after completing graduation in commerce:

1. Chartered Accountant (CA) or Company Secretary (CS):

Most students take up commerce just to become a CA or CS. There is a high demand for CAs and it opens up more opportunities, especially in business.

3. Banker:

Bankers give their customers a wealth of services. A banker should have good communication skills; love to help people, good in sales marketing knowledge, multi-tasking proficiency.

4. Government Jobs:

After completing your B.com, you can apply for most of the competitive government job exams. You can apply for Civil Services Exams (IAS, and IPS), SSC CGL, Railway RRB Exams, Banking Exams (IBPS PO, IBPS Clerk, SBI PO, and RBI etc.)

5. Human Resource Development Management:

Students of B. Com. can also pursue a Masters in Human Resource Management. HR officials assess policies relating to personnel management and describe the effects of these policies on roles and operations within the company.

7. Chief Accountant/Chief Internal Auditor:

Again, one more good career choice for commerce graduates is Institute of Cost & Works Accountants of India (ICWAI).

After completing your ICWAI course, you can pursue M.Phil. or PhD or join as a Financial Controller, Cost Controller, Chief Internal Auditor and Chief Accountant etc.

8. Certified Management Accountant (CMA):

The required skills for CMA are financial planning, analysis, control, decision support, and professional ethics.

9. Market Researcher:

The work of a market researcher is to study the market trend, market competitors before launching any new product.

Course Material

Learning materials are prepared for the courses by teams of experts drawn from our experienced faculties. These materials are edited by the content experts and language experts at MU before they are finally sent to the press. These materials are previewed and reviewed by the faculty as well as outside experts and edited or modified wherever necessary before they are dispatched to the Learner Support Centres.

Credit System

The MU, DDE proposes to follow the 'Credit System' for most of its programs. Each graduate program requires 120 credits from all learning activities. Each credit amounts to 30 hours of study comprising all learning activities. Thus, a 4 credit course requires 120 hours of study. All courses are 4credit courses except the project course which is of 8 credits. This helps the student to understand the academic effort one has to put in, in order to successfully complete a course. Completion of an academic programme requires successful clearing of both, the assignments and the term-end examination of each course in a programme.

DELIVERY SYSTEMS

The DDE, MU follows a ICT mediated enabled approach for instruction. The methodology of instruction in DDE, MU is different from that of the conventional/regular programs. Our ODL system is more learner-oriented and the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance, rather than face-to-face communication. DDE, MU academic delivery system comprises:

Print Material

The printed material of the programme is supplied to the students in batches of blocks for every course. A block which comes in the form of a booklet generally comprises 5 units.

Counselling Sessions

Normally, counselling sessions are held as per a schedule drawn beforehand by the Study Centre Coordinator. There will be 6 counselling sessions of 2½ hour duration for each course in face to face mode.

ADMISSION

Target Group

Distance Education of MU shall target the working professionals as well as those who cannot attend a full-time program due to constraints. The candidates desirous of taking admission in B.Com. program shall have to meet the eligibility norms as prescribed for the program.

Eligibility

The basic eligibility criteria for the 3 year B.Com. programme is that the candidates should have Senior Secondary School Certificate (SSC, 10+2) from any stream from any recognized board.

Skills Required:

To do well in this field, students must possess leadership qualities, decision making skills, and good oral and written communication skills.

Cost Estimation of Program & Provision

Name of the Program	Degree	Duration	Year	Admission Fee	Tuition Fee	Exam Fee	Total (in Rs.)
Bachelor of Commerce	UG	3-6 Years	1	1000	5000	1000	7000
			2		5000	1000	6000
			3		5000	1000	6000
						Total	19000

Course Duration

Minimum – Three years, Maximum - Six academic years.

Medium of Course: English

Medium of Examination: English

Assignments

The topic of assignments will be available with DDE. Students are required to submit the assignments within stipulated time. Each assignment will be of 40 marks.

Admission Process

Admission to the B.Com Programme will be done on the basis of screening of candidate's eligibility on first come first serve basis. Admission shall not be a right to the students and MU, DE shall retain the right to cancel any admission at any given point of time if any irregularity is found in the admission process, eligibility etc.

Maximum Duration

The maximum duration of the B.Com Programme is Six years. Thereafter, students seeking completion of the left over course(s) will be required to seek fresh admission.

Evaluation

The evaluation system of the programme is based on two components:

- A. Continuous evaluation in the form of assignments (weightage 40%). This component carries a weightage of 40%. There will be one graded assignment and one graded project per course. These assignments are to be submitted to the Co-ordinator of the DDE/Study Centre to which the student is assigned or attached with.
- B. Term-end examination (weightage 60%) will be held twice every year in the

months of June and December. The students are at liberty to appear in any of the examinations conducted by the University during the year. A student will be allowed to appear in the Term-End Examination, only after she/he has registered for that course and submitted the assignment. For appearing in the Examination, every student has to submit an Examination form through online (www.mangalayatan.in) before the due dates as given in the schedule of operations. If a student misses any term-end examination of a course for any reason, he/ she may appear for any of them or all the courses subject to the maximum of 8 courses in the subsequent term-end examinations. This facility will be available until a student secures the minimum pass grade in the courses but up to a maximum period of four semesters, since the date of registration of the course is valid for four semesters. Beyond this period she/ he may continue for another four semesters by getting Re-registration by paying fee again. In that case, the score of qualified assignments and/or term-end examination will be retained and the student will be required to complete the left out requirements of such re-registered courses.

QUALITY ASSURANCE

DDE of Mangalayatan University follows a two-step process for quality assurance:

1. Through University's Compliance & Quality Assurance Cell (CQAC)
2. Through DDE's own Centre for Internal Quality Assurance (CIQA)

Compliance & Quality Assurance Cell (CQAC)

Development of a culture that recognizes the importance of quality and quality assurance is essential in institutions of higher learning. Quality assurance is a new paradigm of academic and administrative management. The changing educational landscape calls for setting up a formal and effective mechanism for the approval, periodic review, monitoring, evaluation and assessment of quality of the programmes in higher education institutions. It is in this vain that the proposal by National Assessment and Accreditation Council (NAAC) to establish Compliance & Quality Assurance Cell (CQAC) has been undertaken by every accredited institution of learning. The quality assurance activities are not just limited to collecting data; rather it is also expected to analyze the data for enhancing quality, providing accountability, establishing stakeholder confidence and creating trust in the institution's performance. Since quality assurance is a continuous process, CQAC is now becoming a central theme in Higher Education, ever endeavouring to work towards realization of the goals of quality enhancement and sustenance.

Objectives of CQAC

There are following objectives of CQAC:

- To develop and implement a strategy for conscious, consistent and continuous enhancement of quality to improve the academic and administrative performance and standards of the programmes of the institution.

- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture, accountability, and institutionalization of best practices and awards.

Strategies

The CQAC shall evolve the mechanisms and procedures for ensuring

- Timely, efficient and progressive performance of academic, administrative and financial tasks. The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning and the credibility of evaluation procedures.
- The adequacy, maintenance and functioning of the support structure and services for Research sharing and networking with other institutions in India and abroad.

Function

The CQAC shall have the following functions:

- To ensure heightened level of clarity and focus in institutional functioning towards quality enhancement.
- To ensure internationalization of quality of culture.
- To ensure enhancement of integration among the various activities of the institution and institutionalize good practices.
- To provide a sound basis for decision-making to improve University functioning,
- To act as a dynamic system for quality sustenance.

Monitoring Mechanism

The CQAC look after the working of University with reference to NAAC and ensure the complete the necessary documents.

Centre for Internal Quality Assurance (CIQA)

DDE has formed a Centre for Internal Quality Assurance (CIQA) in accordance with the ODL Regulations 2017 notified by DEB/UGC. The functions of CIQA are:

Objectives and Functions of CIQA

The objective of establishment of Centre for Internal Quality Assurance (CIQA) is to develop and put in place a comprehensive and dynamic internal quality assurance system to provide high quality programmes of DDE.

- To plan, guide and monitor Quality Assurance (QA) and Quality Enhancement (QE) activities of the department.
- To track and monitor the functioning of all the departmental governance committees as per target dates and take corrective action if required.
- To identify areas with deficiencies and scope of improvements across all the processes/activities and facilities of the department.
- To suggest methods/procedures for overcoming the deficiencies and improving the overall quality of the department
- To channelize and systematize the efforts and measures toward academic excellence.
- To facilitate the learner-centric environment for quality teaching and learning process.
- To finalize the Annual Quality Assurance Report (AQAR) of the department and submit the same to CQAC for further action.

Activities of CIQA

To fulfill the above objectives the Departmental Quality Assurance (DQAC) shall:

- Prepare a Programme Project Report for each programme according to the norms and guidelines prescribed by the DEB and wherever necessary by the appropriate regulatory authority having control over the programme.
- Get the Programme Project Report approved by the appropriate authority of the DDE and before launch of the programme.
- Oversee the development of Study Learning Material (SLM), integration of Information and Communication Technology (ICT), setting up of Learning Centre's and coordination with the parent institution and relevant Regulatory authorities.
- Put in place monitoring mechanism to ensure the proper implementation of Programme Project Reports.
- Design annual plans for quality level enhancement at the level of the DDE and ensure their implementation.
- Arrange for feedback responses from students, employers and other stakeholders for quality related institutional processes.
- Develop quality benchmarks or parameters for the various academic and administrative activities of the DDE.
- Obtain information from other DDE on various quality benchmarks or parameters and best practices.
- Organise workshops or seminars on quality related themes.
- Suggest restructuring of programmes in order to make them relevant to the job
- Develop and implement innovative practices in major areas leading to quality enhancement in services to the learners.
- Cultivate creativity and innovation in the faculty and staff
- Coordinate between the DDE and the Commission for various quality related issues or guidelines.

- Record activities undertaken on quality assurance in the form of an annual report.
- To coordinate recognition and accreditation of the DDE.
