

(CONFIDENTIAL DOCUMENT)

INVENTION DISCLOSURE FORMAT

Date

1. Title of invention :

2. Detail of Applicant (S)

Name :
(Official Designation & Address)

Mobile No. :

E mail id :

Applicant (S) and inventor (S) are Same ? YES/NO if No, Provide Details of Inventor(s)

Detail of Inventors

Name :
(Official Designation & Address)

Permanent Address with Phone No :

Mobile No. :

E mail id :

3. Field of the invention (one or two line):

4. Brief overview of the invention:

5. Novelty of the invention (one paragraph):

6. List of Innovative Features of Invention:

7. Use of the Invention According to applicant:

8. List of keywords (in capital letters) relevant to the invention:

-
-
-

9. Full Technical description of Invention (including drawings, working, examples, description of drawings, mathematical algorithms, etc.)

10. Background and Previous Method/techniques used and their Drawbacks :

11. how the drawbacks of the existing state-of-art have been overcome and advantages of your invention:

12. Stage of development : Is the work

- a. Completed

- b. not completed

13. Public Disclosure

Whether the invention has been described or discussed in any journals, abstracts, papers, Conferences, oral presentations, news, thesis or other mediums?

YES NO

(If yes give the details).

Type of disclosure (Publications, Seminar, etc.)	Dates (s)
